

**REMARKS**

In response to the restriction requirement, please cancel claims 1 through 30 and enter new claims 31 through 74. The new claims recite compounds and compositions thereof relating to SEQ ID NO: 256 which is disclosed in the specification at, for example, page 101, Table 23. Accordingly, the new claims add no new matter.

Moreover, in view of the fact that the new claims relate to compounds and compositions thereof, the subject matter of the new claims corresponds to that of claims designated by the examiner in the restriction requirement as Group I. The applicants therefore believe that submission of the new claims is fully responsive to the restriction requirement.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith to our Deposit Account No. 13-2855, under Order No. 30566/30022. A duplicate copy of this paper is enclosed.

Respectfully submitted,
